## *Testimonials from parents of Ruth's current students:*

*"Under Ruth's guidance for the last three years, my daughter who used to dread math has blossomed into a confident and able math lover and she's even been recommended to go on to Advanced Math at the middle school level."*

*-Lori C.*

*"Our son has had a great experience working with Ruth. Ruth brings years of experience to her tutoring. She is organized and her tutoring methods are effective. We have seen huge improvements in our son's reading fluency and comprehension. And, best of all, he loves his time with Ruth and looks forward to it."*
